

# APPLICATION FOR CHANGE TO INACTIVE RESERVE CLUBHOUSE MEMBERSHIP

I/we hereby request that on this date, the status of my/our Regular Clubhouse Membership be transferred to, and/or classified as Inactive Reserve.

I/we understand that Inactive Reserve Clubhouse Membership is subject to the following conditions under the By-laws of the Camano Country Club and the Clubhouse Operating Rules and Regulations:

1. Inactive Dues are to be paid annually upon receipt of invoice, being due January 1, of each calendar year. Inactive Dues in the Amount of \$ 63.00 per year may be adjusted from time to time by action of the Board of Trustees.
2. Failure to pay the dues for memberships pre-dating June 25, 1988 may then accumulate against the proprietary value of the Membership Certificate, as set out in the By-Laws.
3. Inactive Members may use the Clubhouse facilities twice each calendar year as guests only of a Regular or Associate Member. Facilities shall mean use of the pools and exercise room, with scrip, cash or charge or attendance at a Clubhouse social event on a space available basis.
4. Transfer from this Inactive Membership to Regular Active Membership status may be made upon request to the Office Manager at any time, and be reactivated without penalty or additional transfer charge as long as the account is currently paid to date.
5. Inactive Reserve members may attend Clubhouse meetings and have voice, but no vote.

An Inactive Reserve Membership retains the Membership Certificate as long as all annual dues are paid and remain current.
