

WATERCRAFT REGISTRATION FORM

I, the undersigned, am the legal owners of the property identified below. I do hereby sign this Registration Form for the Camano Country Club (Beach), and do, therefore declare that the watercraft which is listed below is entirely my responsibility. I assume all such responsibility and hold harmless the Camano Country Club (Beach) for any and all liabilities incurred, not excluding any natural disaster or any man-made occurrences.

I also take full responsibility for placing and maintaining any anchors or tie downs to hold watercraft in place and assume all costs incurred. Watercraft will not be stored on any trailer, dolly or other attachment.

All watercraft must be stored in the designated bulkhead or beach area and be clearly marked with a unique identifying label. Watercraft must be open design and less than 16 feet in length. A limit of one watercraft per member except that a limit of two, single seat watercraft shall be allowed.

I agree that this registration form must be resubmitted starting every March 1st, when watercraft can be returned to the beaches or later when they are returned to the beaches. No watercraft is allowed on the beach property during the month of February. Watercraft remaining on the beach property during the month of February will be considered abandon property and are eligible for removal/auction/destruction.

The February removal is required in order to inspect and perform preventative maintenance to the aging bulkheads if needed.
